### **Privacy Notices**

This Policy may be supplemented or amended from time to time by “Privacy Notices” posted on this Site. These Privacy Notices provide a level of detail that we cannot provide in this more general description of our privacy practices. For example, certain pages of this Site may contain Privacy Notices providing details about the Personal Information we collect on those pages, why we need that information, and choices you may have about the ways we use that information.

Certain browsers may allow you to request that websites not track your activities over time and across third party websites or other online services by sending “do not track” signals to commercial websites like the Site. We do follow the “do not track” directions provided by your browser. This Privacy Policy provides the details regarding the types of tracking mechanisms in place on the Site, the types of information collected by such tracking mechanisms, whether you have the option to control how and when such tracking mechanisms are used, whether and how third parties use tracking mechanisms on the Site, and whether those third party tracking mechanisms are activated before or after you leave the Site.

In addition, you may provide Personal Information in order to use, or participate in, certain optional features of the Site. The manner in which we will use this Personal Information, if any, will be disclosed on the page through which you sign up for, or otherwise provide information to use, or participate in, the applicable feature. If we, in our sole discretion, believe that any such information is untrue, inaccurate or incomplete, we may prohibit you from further participation in the applicable program and pursue any appropriate legal remedies.

Except as expressly set out in this Privacy Policy, or as disclosed when you sign up for, or otherwise provide Personal Information to use, or participate in, an optional feature on the Site, we will not disclose any Personal Information to a third party without your express prior authorization, nor will we use that information for any purpose other than to provide the applicable feature. However, we reserve the right at all times to disclose any information as necessary to satisfy any law, regulation or governmental request, to avoid liability, or to protect our rights or property.

*Information Sent to Us by Your Web Browser.* We collect information that is sent to us automatically by your web browser. This information typically includes, but is not limited to, your internet protocol (“IP”) address, the identity of your Internet service provider (ISP), the name and version of your operating system, the name and version of your browser, the date and time of your visit, and the pages you visit. Please check your browser if you want to learn what information your browser sends or how to change your settings.

*More About IP Addresses.* An “IP address” is a unique number that is automatically assigned to your computer when you connect to the Internet. It is used to identify your computer’s “location” in cyberspace, so that the information you request can be delivered to you. IP addresses do not include your name, e-mail address, or other information that identifies you personally, but in some cases, they can be used to identify you. For example, if you have registered with this Site, we may link your IP address to account information that identifies you personally. We may also provide your IP address to our third-party service providers who can use it to identify your state and zip code. In addition, if, we suspect inappropriate or criminal activity or a threat to the security of this Site, we may share our server logs—which contain users’ IP addresses—with the appropriate investigative authorities, who could use that information to trace and identify individuals.

*Cookies and Similar Technologies.* We use “cookies” and other web technologies to collect information and support certain features of this Site. For example, we may use these

technologies to: • collect information about the ways visitors use this Site—which pages they visit, which links they use, and how long they stay on each page; • to support the features and functionality of this Site—for example, to reduce the time it takes users to re-entering information already in our database or to prompt the settings you established on previous visits; and • to personalize your experience when you use this Site.

Generally, the information we collect using these web technologies does not identify you personally. If, however, you have created a user identity, for example, by registering on this Site, we may link the information we collect using these Web technologies to other information that identifies you personally.

Generally, if you do not wish to receive cookies, you may set your browser to reject cookies or to alert you when a cookie is placed on your computer. Although you are not required to accept cookies when you visit this Site, if you choose to have your browser refuse cookies, it is possible that some areas of the Site will not function properly when you view them, and you may have to enter Personal Information every time you use the Site in order to access certain parts of the Site and obtain certain information stored on the Site.

*Information from your mobile device.* If you access the mobile version of this Site, we may automatically collect certain information from or about your mobile device. The types of information we may collect include the type of device you use, your device's unique identification number, the IP address of your device, your device's operating system, the type of mobile Internet browser(s) you use, and information about the way you use our mobile application(s) on this Site.

*Children's Personal Information.* This Site is not directed to children under the age of 13 and we do NOT knowingly collect Personal Information from children under the age of 13 as part of the Site, nor do we knowingly distribute such information to third parties. We screen users who wish to provide Personal Information in order to prevent users under the age of 13 from providing such Personal Information. If we become aware that we have inadvertently received Personal Information from a user under the age of 13, we will take the appropriate steps to delete such information from our records. We do NOT knowingly allow children under the age of 13 to publicly post or otherwise distribute Personal Information through the Site.

### **Third-Party Cookies**

*Previously Expressed Preferences.* You may change previously expressed preferences regarding how we use your Personal Information. If you have registered with this Site, you may be able to change certain privacy preferences through your account settings. Otherwise, if at any time you wish to be taken off our mailing lists, please contact us using the information provided above. Once we have the information we need, we will remove you from our mailing lists as you have requested. Please give us a reasonable amount of time to honor your request.

In particular, your submissions must not violate the privacy or other rights of others.

*Business Negotiations.* We may contemplate, for strategic or other reasons, selling, buying, merging, or otherwise reorganizing one or more of our businesses. In negotiating with a third party about entering into such an arrangement, we may need to disclose your Personal Information. In such cases, we will take reasonable measures to protect the Personal Information we disclose, for example, by requiring a prospective purchaser to sign a non-disclosure agreement limiting the use and protecting the confidentiality of the Personal Information.

*Business Transfers.* Your Personal Information may be transferred to successor organization if, for example, we transfer the ownership or operation of this Site to another organization or if we merge with another organization. We reserve the right to release information concerning any user of the Site when that user is in violation of our Terms of Use or other published guidelines or partakes (or is reasonably suspected of partaking) in any illegal activity.
